We are authorized to announce Taze W. Newman as a candidate for re-election to the Lower House of our next General Assembly.

To Our Friends.—In a day or two we will have to go to Nashville, and while there we wish to purchase a lot of paper and other material that cost money. Will any one who owes us come in and give it to us? We'll need it, with all the economy we can use. Its requires fifty or sixty dollars per month to carry on our business. Then certainly our modest request will be appreciated.

Several local items prepared for to-day's paper are deferred for want of time to put them in type. Unable to work myself, and crowded with job work which must be done, we claim the pardon of our readers.

Our friends, HANLEY & HENNINGSON, are just receiving a nice lot of Goods, consisting of every variety of Linen Silk and Cotton fabrics. They are of their own importation, and were selected with great care. We have examined their Goods, and found them beautiful indeed.

At the last regular meeting of Lodge No. 8, I. O. G. T., the following officers were elected for the present quarter, viz:

Abe Frizzell, W. C. T.
Miss Jennie Spyer, W. V. T.
Miss Nannie Meredith, W. R. S.
James H. Young, W. T.
Jo. C. Oehmig, W. M.
Miss Ann March, W. I. G.
Wesley Brooks, W. O. G.

A full attendance is requested next Tuesday night.

For the past few days, our citizens have been entertained by an Organ-grinder—after an absence of several months. He must have been pleased with his first visit to Winchester. Don't blame him.

The Comet!—As it is predicted that the world is to be destroyed, on the 13th of next month, by coming in collision with the much-talked-of comet, and as all persons except subscribers to newspapers are to go with it, we would advise those in jeopardy to repair immediately to O. Hubbard's, and have their pictures taken. Gallery over James Campbell's store.

Read the new advertisements in this paper.

Johnny, one bright evening, was standing by the window gazing at the moon and stars and after looking at them some time very intently, he turned and said to his mother, who was sitting by him, Mamma, what are those bright little things in the sky? are they the moon's little babies?

Tatour Mauborg lost his leg at the battle of Leipsic. After he had suffered amputation with the greatest courage he saw his servant crying, or pretending to cry, in the corner of the room, "None of your hypocritical tears, you dog," said his master; "you know that you are glad because now you will only have one boot to clean instead of two."

An aged Quakeress was seen intently gazing upon a richly embroidered satin, displayed in a dry goods store in Grand street. An Irishman, passing, smiled as he saw the fascination upon the dame.

"Ah," said he, "that's Satan tempting Eve."

GRACEFUL COMPLIMENT.—Washington, visiting a lady in his neighborhood, on leaving the house, a little girl was directed to open the door. He turned to the child and said—

"I am sorry, my little dear, to give you so much trouble."

"I wish, sir," she replied, "it was to let you in."

If running after women be a sin, it is very easily checked. All that is necessary is for the women to stop running away from the men.

HEALTH DEPENDS UPON PURE BLOOD. THIN AND ACID BLOOD CANNOT SECRET HEALTHY BILE, and therefore the first thing for those who are dyspeptic should be to commence the purification of their blood.

BRANDRETH'S PILLS

Not only purify, but they make the blood richer, and those principles upon which its power to resist disease depends.

Much operation with successful effect are the peculiarity of Brandreth's Pills. Now that we may soon expect genial Spring, it is of great importance that a few doses be used by the wise. Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent, but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the fine organs of the stomach and bowels. They soon cure liver complaint, dyspepsia, loss of appetite, pain in the head, heartburn, pain in the breast bone, sudden faintness and coldness. In brief, Brandreth's Pills work their way to the very roots of the disease, cleansing in their passage, removing every unhealthy accumulation, till the blood is purified, the whole system renovated, and the functions and duties of life become a pleasure, where before they had been sad and weary burdens.

We have thousands of similar testimonials to the following, and much evidence can be had from living witnesses all around us on every side. It is from a gentleman of high respectability, whose letter can be seen at the Principal office, he writes:

"I am now fifty-two years of age. For twenty years I have used your Pills as my family medicine, and I wish no other, and I have never had occasion to call a physician in my family, (save in the sickness of my wife with children) during the twenty years."

TRUE MEDICINAL PRINCIPALS.—Never extract blood. Blood is the life. By abstracting it in painful diseases you may occasion the patient ease, but remember this case is only the reduction or lessening the power to feel. And by thus taking away nature's tools you may prevent her from fully repelling the ravages of inflammation, and convert what might only have been the sickness of a few days or weeks into a chronic affection of months or years.

PURGING BY MEANS OF BRANDRETH'S PILLS.—This is the means which accords with nature's remedy in fact. When sudden, acute or continued pain occurs, then to insure security you must take a medicine that will surely purge. There must be no stilly shuffling, because every minute lost may be fatal.
